## Clinical Healthcare Career Awareness Pre-Apprenticeship

The MaineHealth Clinical Healthcare Career Awareness Pre-Apprenticeship is open to both employees and non-employees to help participants explore the clinical training programs and healthcare careers of Phlebotomist, Medical Assistant, and Certified Nursing Assistant.

- Free training for those exploring clinical healthcare careers
- Online, self-paced course
- Begin anytime
- Opportunity to interview for paid training programs for those who qualify

To express interest and to register please scan the QR code or email [preapprentice@mainehealth.org](mailto:preapprentice@mainehealth.org) for more information.

*MaineHealth will not discriminate against apprenticeship applicants or apprentices based on race, color, religion, national origin, sex (including pregnancy and gender identity), sexual orientation, genetic information, or because they are an individual with a disability or a person 40 years old or older. MaineHealth will take affirmative action to provide equal opportunity in apprenticeship and will operate the apprenticeship program as required under Title 29 of the Code of Federal Regulations, part 30.*

### Learn More About:

- Certified Nursing Assistant Training
- Medical Assistant Training
- Phlebotomy Training

*This pre-apprenticeship is delivered in conjunction with Southern Maine Community College and is funded through a grant from the Maine Department of Labor Maine Apprenticeship Program.*
